### Course descriptions:

The ERC focus is primarily academic. We believe that all students can learn and make progress, given appropriate support. Students in the ERC receive small group instruction in reading, written language, and math based on their individual goals and needs. Students will also learn science, social studies, and social skills. ERC students are mainstreamed for an elective, P.E., Health (7<sup>th</sup> and 8<sup>th</sup> grade students) and lunch.

- **Social Studies** topics this year: geography, history, government, economy
- **Science** : health, body systems
- **Social skills**: food and clothing labels, employment, bullying
- **Math**: students will work on math concepts that range from 3<sup>rd</sup> grade to 6<sup>th</sup> grade common core math goals.
- **Reading**: students will work on reading skills that range from 3<sup>rd</sup> grade to 6<sup>th</sup> grade common core reading goals.

### Grading:

For all classes in the ERC, grades are based largely on participation and completion of work. There will be quizzes and tests for partial credit. When students do not do homework, fully participate, or finish class work a loss of points will result. In addition to grades, families will receive progress reports that indicate how the student is progressing on their individual IEP goals.

### Attendance: 503-399-3120

Please make sure to contact the office if your child will not be attending school.

### Homework:

Homework will be assigned throughout the week. All students have a Home Folder that is to come to and from school **each day**. **\*\* Please encourage your student to show you his/her assignment sheet each day!**

### Behavior Expectations:

- Always give best effort
- Be kind and respectful to staff and students
- Be prepared for class. Homework completed and needed materials.
- Keep hands, feet, and objects to yourself.

### Consequences

- Verbal Warning
- Teacher/Student/Parent Conference
- Referral, or detention
