

Whiteaker Middle School
Drawing – 7th/8th grade
Sweeney

SYLLABUS:

General Course Description:

This course will introduce basic methods, media, and concepts when drawing. There will be an emphasis on observational drawing with the development of relative value, negative and positive space and shape, composition, line, form, light, and perspective. The course includes exploration of these ideas by covering the vocabulary, materials, and experimentation with a variety of media to create visual art. Emphasis will be with pen and pencil, but some experience may include charcoal, pastel, tempera or acrylic paint, and watercolor to produce a finished drawing. The focus of this class will be on art production; however, art history and art appreciation will also be included.

Goals:

1. Students will develop basic skills in drawing while using a variety of techniques in creating art.
2. Students will use a variety of materials and tools for visual self-expression.
3. Students will become familiar with drawing concepts and terminology.
4. Students will study significant artists and the historical movements they are associated with.
5. Students will be able to analyze and describe their art in writing.

Art Projects:

1. Name Tag
2. Sketchbook for daily warm ups
3. Doodle for Google Contest
4. Humane Society Contest
5. Charcoal Landscape
6. Magazine Value Drawing
7. Still Life
8. Contour Drawings
9. Cartoon Drawing
10. Value Drawings
11. Line Drawings
12. Value Robot Painting

Expectations:

Students are expected to bring *writing paper, their sketchbook, pencil, eraser, color pencils*, and to be prepared to work during the allotted studio time.

Late Work:

Late work will be accepted one day late at a reduction of 10%. Students with excused absences and illnesses will be allowed to make-up work as many days as they have been ill. When your student is absent much of the written work can be found online at <https://sites.google.com/site/whiteakersvisualartsdepartment/>.

Tag Consideration:

In Drawing, students will be pre-assessed on the knowledge and skills that will be learned in the subject/course. The purpose of this pre-assessment is to find out what students already know and are able to do to avoid repetition and to give the student access to advanced and/or accelerated content.

Formal or informal pre-assessment may include tests, student input and self-evaluation, placement test, specific teacher observational data, lab demonstration or test, work samples, fist of five, thumbs up/thumbs down, or other forms of pre-assessment.
